Author biography

[Sara Decoster](#) (KU Leuven) obtained a PhD in Languages and Letters at Liège University and works as an Open Science staff member at KU Leuven Libraries. She joined KU Leuven in 2018, as a metadata librarian for research data management. Previously, she held a position of library manager and research librarian at Liège University for eleven years. She gained international experience through participating in a development cooperation project and a two years' experience at Academia Belgica in Rome.
